The two young lovers, with the help of Friar Lawrence, make plans to be married in secret. Tybalt, Juliet's cousin, later discovers that Romeo was at the ball, and he decides to teach Romeo a lesson. 2 READING TASK 2

WHAT'S THE PROBLEM?

Many of the characters in *Romeo and Juliet* encounter problems and have to make some difficult decisions. Look at the problems they face below. Read each one and consider what advice you would give each character.

HELP!

Last night I met the most amazing girl at a party but our families really hate each other. The problem is, it was love at first sight and now I can't stop thinking about her. It's impossible for us to be together but love her with all my heart. What should I do?

Romeo

HELP!

I've met this boy called Romeo who I'm not allowed to see. My parents want me to marry this other guy called Paris. Everyone seems to dislike Romeo because of his family the Montagues! My cousin Tybalt really hates him but I think he's amazing. I'm so confused. I hardly know him and I have to respect my family's wishes so maybe I shouldn't see him again. What would you do?

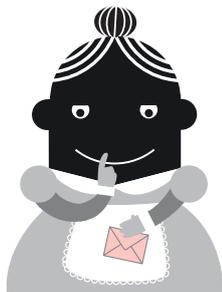

Juliet

HELP!

I've got a really huge dilemma and I don't know what to do. I helped Juliet to marry Romeo in secret but now Romeo has left Verona and cannot return. Maybe Paris, the guy her parents want her to marry, isn't so bad? Should I tell the truth, help Juliet return to Romeo, or encourage her to marry Paris? Help!

Nurse

HELP!

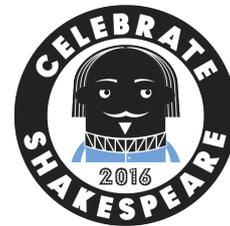

I really need some advice. I know a young couple who are secretly in love. Her family wants her to marry another man, but I know she doesn't want to. She's asked me to help her fake her death so she can run away and get married to her lover. What should I do?
